ESE LEADERS NETWORKING MEETING

Join special education leaders from across the state for a dynamic, in-person networking meeting hosted by the Florida Charter Institute (FCI).

Connect with your peers, share best practices, and get the latest tools and insights to support your students and staff.

Join us for this important opportunity to collaborate, learn, and lead with purpose.

This interactive session will include:

- A demonstration of FCI's brand-new ESE Compliance Tool – designed to support schools and districts in streamlining documentation and meeting state requirements
- A legislative update on policies impacting exceptional student education
- An introduction to FCI's new ESE Director
